

MVR Degree College

(UG & PG Courses)

Specific Outcomes of M.Sc Programme with Chemistry

Students after graduating with Chemistry as one of the core subjects will

- ❖ Be able to demonstrate basic knowledge in the core areas of chemistry (analytical, general, inorganic, organic, physical, applied, fuel chemistry etc).
- ❖ Have firm foundations in the fundamentals and application of current chemical and scientific theories in Inorganic, Organic, Physical and Analytical Chemistry.
- ❖ Be versatile in classical laboratory techniques, use instrumental methods for analysis as well as synthesis and follow standardised procedures and regulations in handling and disposal of chemicals.
- ❖ Become post graduates with the skills to critically assess and solve problems requiring the application of chemical principles.
- ❖ Equip students with effective scientific communication skills
