Principal

- The college has well qualified and experienced faculty. Many of them are Ph.D and M.Phil degree holders. Members of the staff are committed to work with the organization to provide and promote qualitative education, which is the prime objective of our academy. The college has well equipped laboratories, a library along with other infrastructural facilities.
- Apart from curriculum, regular personality development lectures and guest lectures will be conducted to promote holistic education.
- To improve the skill competence among the students, campus recruitment training (CRT) classes are designed along with the regular time table.
- To improve the skill competence among the students, Andhrapradesh State Skill Development Corporation (APSSDC) and AP Information Technology academy (APITA) are conducting online training classes and placement drives for our students to help them in increasing the scope for employment.

Discipline

- **MVR DEGREE COLLEGE** lays a great stress on the development of character among the students and expects them to showcase appropriate behavior both inside and outside the campus, so as to be worthy of the highest standards of behavior, both as individual and collective in our national life.

Students are directed to follow the norms prescribed by the college. They are

- Courtesy, kindness, altruism and tolerance are the virtues which they are particularly advised to cultivate.
- Every student is directed to attend the college in compliance with the prescribed timings.
- Students ought to show their Identity cards while entering the college.
- As per the Govt. directions, the college has constituted an anti ragging committee which includes the parents, lecturers and non teaching staff.
- Every student ought to wish the members of staff when He/She meets them on the first occasion of the day.

- When a lecturer enters the classroom, every students ought to stand in his/her respective place, only with the lecturer's permission, the student is supposed to sit in his/her respective place.

Ethical Values

- Every lecturer maintains a high level of subject matter, knowledge and ensures the course content to be current, accurate, representative and appropriate thus achieving the **content competence**.
- Lecturers adopt different pedagogical instructional methods or strategies to explain the desired content.
- It is the responsibility of the teacher to contribute to the intellectual development of the students.
- Our Lectures respect the dignity of their colleagues and work cooperatively in the interest of student development.
- Lecturers are responsible to take adequate steps to ensure the assessment of every student is valid, open, fair and congruent with course objectives.

Adaptability

- Adaptability to latest technology like e-classrooms, ICT enabled class rooms, e-Library and e-seminar halls.
- Conducting debates, elocution, seminars and regular field trips in each department.
- Conducting dual degree programs- In our college, there is an IGNOU center, students can enroll in any course in IGNOU along with regular curriculum.
- We are conducting environmental awareness programs like celebrating Environmental Day every year June 5, plantation of trees, water harvesting etc.
- We strive to keep the campus clean and green and motivate the students make the campus as swatch campus.
