INSTRUCTIONS:

The Practical courses are core components in the Chemical Education. Without an effective practical class work and examination, it is impossible to know whether students have learned, whether teaching has been effective, or how best to address student learning needs. The quality of the assessment and evaluation in the laboratory course has been linked to the student performance. In order to assure quality in the practical examinations, the DIRECTORS / PRINCIPALS have to acquaint with the following procedures.

- 1. The Students are not allowed to write the practical examination without Hall ticket and ID card
- 2. The students shall not be admitted to the practical examination unless he/she produces the practical bounded class record book(not spiral) duly certified by Head of the Department in the subject concerned at his/ her first appearance.

3. Make sure that the sufficient Chemicals, reagents, Instruments and glassware should be available for INORGANIC CHEMISTRY PRACTICAL, ORGANIC CHEMISTRY PRACTICAL and PHYSICAL CHEMISTRY PRACTICAL examinations.

4. Inorganic Chemistry practical examinations shall not be conducted without Cripps apparatus, Centrifuge machine (working condition), sufficient number of less familiar cations, reagents and

Format of Award list is enclosed. T.A., D.A. and remuneration will be paid by the respective Colleges as per the University rules. Please confirm the receipt of this communication.

Please do not hesitate to contact me if you have any queries about the practical examinations
