### **“Recent Techniques in Chemical Analysis”**

7th August 2021 ( 10:00 AM – 1:00 PM )

### Programme Schedule

- Welcome note & introducing the aims of the webinar by Convener Sri. Y. EswaraRaju.
- Chief Guest message:- Dr. V. Rama Rao, Secretary & Correspondent, PEA

#### About the webinar:

Chemistry remains the most invaluable science and plays the most critical role in the drug development process. It serves as the backbone to framework the drug discovery and strengthening the growth of the pharmaceutical industry.

Chemical analysis is essential of ensuring the chemical's safety, quality, productivity, control, consistency etc. in the pharmaceutical industry. Keeping the view of the importance of chemistry in current scenario, we are organising a one-day national webinar on **“Recent Techniques in Chemical Analysis”**

#### Session – 1:

**Dr. G. Ram Kumar,**

Working as Assistant Professor

#### Session – 2:

**Sri. S. Nagendra,**

Associate Professor,

## “Recent Techniques in Chemical Analysis”

7th August 2021 ( 10:00 AM – 1:00 PM )

### Summary Report

One day national webinar on “**Recent Techniques in Chemical Analysis**” was organized on 7<sup>th</sup> August, 2021 by M.V.R. Degree College, Gajuwaka, Visakhapatnam. Sri. Y. EswaraRaju was the convener and Dr.V. TejeswaraRao, Dr. P. L. Kishore and Dr. K. Balaji were the Coordinators of the webinar. The program was inaugurated by Dr. V. Rama Rao, Secretary and Correspondent, PEA.

Dr. G. Ram Kumar gave the keynote address on Significance of Chemistry and recent trends in chemical analysis. He briefly explained the importance of chemical analysis in everyday life and the role of a chemist in various industries. He briefly explained various analytical techniques useful for chemical analysis. The second session was given by Sri. S. Nagendra with a theme of recent trends in organic compound analysis. He elaborately explained the organic compound analysis and its significance in industry. During these sessions students were interacted virtually with resource persons and cleared so many of the doubts among them. More than 200 participants have registered for the webinar. The webinar was conducted through Google-Meet. 155 participants were found in Live Streaming throughout
