Dear Sir,

Sub: Permission for visiting Coromandel Fertilizers, Visakhapatnam - Request - Regarding

We are from M.V.R. Degree College, Gajuwaka, Visakhapatnam established in 1991 and has been in 28 glorious years of education. Ours is the first affiliated college in Gajuwaka, under Andhra University region. It is accredited by NAAC and ranked by NIRF.

We are extremely thankful to the management of Coromandel for granting permission for our III BBA students to accomplish the Project Work in your organization recently.

As a part of curriculum and to provide our students with hand on experience besides theoretical knowledge, we are wishing to take our students to an industrial visit to one of the esteemed organizations like yours. This visit is meant for final year B.Sc Chemistry students. In this regard we request your goodness to grant our students to pay a day visit to your campus. We are also enclosing the list of the students with register numbers.

Hopeful of favorable reply from your side.

Thanking You sir

Yours faithfully

Lr No: BSNL TP VM/Proposals for New Courses/2019-20/ 5 Dated at VM the 01-10-2019

Respected Sir/Madam,

In order to facilitate Technical institutions for exposure to state of art telecom technology to the engineering students, BSNL Training Point, Visakhapatnam is conducting different Industrial Training Programs/ Certification programs/ Project works for Students of M.Tech/M.E./B.E./ B.Tech /B.Sc./Diploma in Engineering and MBA/BBA students. These courses are being organized with well established classrooms and LABs of Optical Fiber transmission equipment ,mobile communication equipment and computer network -Router Labs besides our existing real-time equipment. These trainings are being conducted by experienced and highly qualified field experts of BSNL. Hands-on experience may be allowed to the students on real systems instead of simulators.

Our Training point has been arranging Industrial Visit for the Students of Colleges / Universities with a nominal fee to familiarize the students with all main telecommunication technologies. This visit gives an exposure to the working/live telecommunications equipment deployed in BSNL and helps the students in selecting the area of their choice for industrial training / project to enhance their awareness as well as employability. Our Training point encompasses training capabilities in different streams like Mobile Technologies,Transmission Technologies,Digital Switching System,Data Communication and Broad band Technologies,New Generation Networks,IT&Networking and Electrical Engineering for Electronics/EC/Electrical/Computer science/Information Technology branch students and also in Finance/HR and Marketing streams for MBA/BBA students with flexible durations.

The details of the course contents in different streams and the tariff particulars are here with enclosed for your information and requested to give us the opportunity to provide the training to your students please.
