The above provisional / temporary affiliation is granted subject to fulfillment of deficiencies, if any as furnished hereunder, within three months from the date of issuance of this Order.

KRISHNAMOHAN VADDADI
Wed, Aug 4, 2021 11:42:26 IST
Remarks :

1

The above provisional / temporary affiliation is granted subject to compliance of other conditions as furnished hereunder from the date of issuance of this Order.

1 These orders shall be in force for a period of one academic year as indicated in the subject, if the College is permitted to function in rented building. The management should renew their affiliation in each academic year until permanent affiliation is granted.

2 The University has the authority and reserves the right to withdraw the affiliation, at any point of time, on any action of the Management / College which damages or causes disrepute to the Government / University and other instrumentality of the State / Central Government.

3 The Management / College shall fulfill the deficiencies within a period of three months and send compliance along with documentary evidence to the University, failing which, the University has authority to withdraw its affiliation.

4 The management should obtain prior approval from the concerned authority for establishment of the College and offering courses etc. before applying for the affiliation, failing which the affiliation accorded is deemed to be cancelled without any further notice.

5 The management shall follow the rules issued by the Government / Competent Authority from time to time on all aspects related to the administration of the college.

6 The staff appointed should be qualified as per the rules and regulations issued by UGC or concerned Body.

7 Infrastructure like Buildings, Land, Playground, Lab equipment, Library, Furniture etc., should be well maintained for the effective functioning of the College.

8 The balance of Corpus Fund, if applicable, should be deposited as per rules in force.

9 The management should not change the Programs / Combinations, intake and media etc. sanctioned in these proceedings, failing which, such action will be construed as tampering of records for which the University will initiate necessary legal action against the Management.

10 The Management shall neither make any excess admissions without approval of the concerned competent authority and the university nor make admissions without affiliation of the University

11 The Management shall publish prospectus of its programs offered and all other institutional details along with fee prescribed.

12 If the management is permitted to start the College in a rented building, they should construct permanent building for the College in the same mandal within a period of five years.

13 The accommodation shown for the College should not be used for any other purpose other than running the college for which permission is given by such Body and the University.

14 The management should not make any claim from the Government or instrumentality of the Government for any grant-in-aid either now or in future, if the College is offering unaided Programs.

15 The Management (a) should not shift the College to any other place; (b) should not change the name of the College, (c) should not transfer the management of the College and (d) should not convert Women's College to Co-Education and vice-versa (e) shall not mortgage its assets without prior permission of such Body and the university.

16 The management of the College shall set up a grievance and complaints cell as per the Supreme Court / UGC guidelines for dealing with sexual harassment / ragging related cases and other grievances etc.

17 The management should establish a website for the college and keep all the necessary academic and administrative information in the website.

18 The University reserves the right to conduct surprise checks at any time. The University also reserves the right to cancel affiliation of the college at any stage, if it is found that the documents produced by the management are false, interpolated and improper and the management is not able to run the college as per the norms of the Government and academic stipulations of the University, apart from any defaults/irregularities committed which would attract legal proceedings under Law.

19 The Management or any other person of the Management of the College shall not collect any capitation fee and the same is prohibited as per AP Capitation fee Act 1983.

20 The Management shall not allow malpractices in the examination and the same is prohibited.

21 The Management shall ensure the non-availability of carbonated beverages and junk foods around 200 meters of the premises.

22 The Management shall not allow the sale of tobacco products in the premises of the College and the same is prohibited.

23 The Management shall take measures to safeguard the interests of the students without any prejudice to their caste, creed, religion, language, ethnicity, gender and disability.

24 The Management shall get the College accredited by the State Government agencies, after passing out of two batches or six years whichever is earlier, if the College has not acc-

KRISHNAMOHAN VADDADI
Wed, Aug 4, 2021 11:42:26 IST

25 The management of the College shall not affiliate itself to any University outside the State of Andhra Pradesh and run the courses of other State University in their premises under Section 21-A of A.P. Education Act 1982, failing which, the Managements shall face criminal action under Section 21-A of AP Education Act.

Semester – VI (C.B.C.S. Pattern)
(With effect from 2015-16 admitted Batch)

The guidelines for implementation and evaluation of Science projects of the cluster in Semester – VI of 3rd B.Sc. Examinations prepared by University under C.B.C.S. pattern with effect from the admitted batch of 2015-16.

Members Present

Capt. Dr. N. Ramakrishna,
Member, B.O.S.
Department of Mathematics,
Mrs. A.V.N. College, Visakhapatnam.

Dr. S. Srinivasa Rao,
Member, B.O.S.,
Department of Physics,
Mrs. A.V.N. College, Visakhapatnam.

GUIDELINES FOR PROJECT OF THE CLUSTER IN SEMESTER – VI

Objective:

The project work is an integral part of the academic curriculum of B.Sc. The objective of conducting project work at the end of semester – VI of the course is

- (i.) To provide an opportunity for students to apply theoretical concepts in real life situations at the work place.
- (ii.) To enable students to manage resources, work under deadlines, identify and carryout specific goal oriented tasks, to get innovative ideals, to sharpen domain knowledge and provide cross functional skills.

Guidelines:

The students who wants to do the project should follow the below mentioned points.

1. To select the topic with clear Aim & Objectives
2. To collect the previous information regarding the topic
3. To get the clear idea after getting the reference material.

PRINCIPAL
M.V.R. DEGREE COLLEGE
Shramika Nagar, Gajuwaka
VISAKHAPATNAM-530025

4. Before going to discuss the topic, every student has to do at least three seminars on chosen topic.
5. Finally to come with results and conclusions.
6. Bibliography (Reference Journals / Books) should be mentioned.

Modalities:

The following modalities to do the project work:

1. The duration of the project work is equal to that period of respective semester as per the U.G. academic calendar circulated by Andhra University from time to time.
2. The Project guide should finalize the topics of their students to carry out the proposed project work and to identify the model / organization selected for study within 15 days of the commencement of the class work of that semester – VI. No two students can choose the same topic / project.
3. The students should submit their project Report before 15 days of the commencement of semester end theory examinations.
4. The project work shall be submitted as one book with minimum 50 pages and typing should be done on one side of the paper.
5. The topic chosen from semester I to Semester VI or application of the subject in real life situations / different disciplines.

Project Guide:

Project guide is a full time faculty member of the respective college. The maximum of 15 students can work under an internal guide. The students are expected to be in continuous interaction with the guide during the course of the project work.

Evaluation pattern for the Project work:

The project report has 150 marks consisting of 100 marks (25 marks internal + 75 marks external) for project report and the remaining 50 marks for viva-voce examination. The minimum pass marks for project is 75 out of 150 marks on an aggregate.

Seminars (Internal) 25 marks	Report of the project – 75 marks (External – 50 + Internal – 25)	Viva-voce of the project (External - 25 marks)
1 st Seminar – 5 marks 2 nd Seminar – 10 marks 3 rd Seminar – 10 marks	1. Introduction (Selection of the topic, aim and objectives). 2. Review of information	Presentation – 15 marks Viva – 10 marks

	3. Methodology 4. Analysis and Discussion 5. Suggestions and Conclusion 6. References	
--	--	--

The Viva-voce examination will be conducted at the respective institutions as per the guidelines of Andhra University where a student is expected to give a presentation of his / her project work. The viva-voce examination will be conducted by the committee comprising of Head of the Department, Project guide and an External examiner nominated by the Andhra University.

III B.Sc. Degree Examinations
Semester – VI (C.B.C.S. Pattern)
(With effect from 2015-16 admitted Batch)

Resolutions passed in the Board of studies meeting held on 18-11-2017 held at
Mrs. A. V. N. College, Visakhapatnam.

Members Present

Sri P. H. Jagannath,
Chairman, B.O.S. in Mathematics,
Mrs. A. V. N. College,
Visakhapatnam

Dr. Ch. Srinivasa Rao,
Member, B.O.S. in Mathematics,
Associate Professor, Department of Mathematics,
Mrs. A. V. N. College, Visakhapatnam

Capt. Dr. N. Rama Krishna,
Mrs. A. V. N. College, Visakhapatnam

Sri Ch. Chandra Sekhar Naidu,
Rajah R. S. R. K. R. R. College, Bobbili

Sri R. V. Ramana,
S. S. S. Degree College, Vizianagaram

Sri C. Nageswara Rao,
Rajah R. S. R. K. R. R. College, Bobbili

Sri K. V. Ram Prasad,
Satya Degree College,
Vizianagaram

1. Student has to choose any **ONE** of the following Electives:

- a. Laplace Transforms
- b. Numerical Analysis
- c. Number Theory

2. Student has to choose any **ONE** of the groups from the following Cluster Electives:

Group – I

- a. Integral Transforms
- b. Advanced Numerical Analysis
- c. Project work

Group – II

- a. Principles of Mechanics
- b. Fluid Mechanics
- c. Project work

Group – III

- a. Graph Theory
- b. Applied Graph Theory
- c. Project work

PRINCIPAL
M.V.R. DEGREE COLLEGE
Shramika Nagar, Gajuwaka
VISAKHAPATNAM-530026

3. Clarification regarding Project work:

1. Every student has to submit project work for 100 marks by choosing any one of the topics from Sem - I or Sem - II or Sem - III or Sem - IV or Applications of Mathematical Sciences.
2. A Viva-voce examination will be conducted at the respective institution as per the guidelines of Andhra University where a student is expected to give presentation on his / her project work. The Viva-voce examination will be conducted by the committee consisting of H.O.D., Project guide and an external examiner nominated by Andhra University.
3. Project Guide is a full time faculty member of that college. Masters of science/Ph.D. degree holders can work under an internal guide. The students are expected to be in regular contact with this guide during the course of the project work. No student shall work on the same problem in the same organization or work on the same problem in

4. Clarification about failed paper.

If a student fails either in Paper - V or Paper - VI in Semester - V then he has to appear for a Supplementary examination in that particular paper but not both.

STRUCTURE OF THE CBCS PROGRAM

CREDIT BASED GRADING SYSTEM

INTRODUCED FROM 2009-2010

Definition of Credit:

Credit is the term used to denote a unit of learning, usually measured in hours of study or achievement of threshold standard or both.

A credit is the value assigned to a course, usually one credit equals one hour class period per week.

Award of Grades:

S.No.	Range of Marks	Grade	Grade Points
1.	> 85%	O	10.0
2.	75%-84%	A	9.0
3.	66%-74%	B	8.0
4.	57%-65%	C	7.0
5.	47%-56%	D	6.0
6.	35%-46%	E	5.0
7.	< 34%	F (Fail)	0.0
8.	Incomplete (Subsequently changed into pass or E to O or F grade on subsequent appearance of the examination)	I	0.0

Grade Point Average:

- i. A Grade Point Average (GPA) for a year is calculated as:

$$\text{GPA} = \frac{\sum (C * G)}{\sum C}$$

Where C= Number of credits for the subject paper

G= Grade points obtained by the candidate in that sut

Note:

1. Titles of a few Electives Streams are given for DSC- F (1F, 2F & 3F combined) at V Semester and the same titles are repeated for DSC – H (1H, 2H & 3H combined). Each Elective Stream consists of two theory papers and one project work for each semester. The total for V & VI semesters will be four theory papers and two project works under each stream. A student has to select **One Stream of Elective consisting of four theory papers and two projects** (together for V & VI semesters). That means, the student will continue the same elective in the VI semester also.

2. The colleges have to **implement original project work** which may consist of field survey/internship/case study/practical training also for the third respective elective papers in V & VI semester.

VISION

The vision of the Institution is that there would be no illiterate, unemployed and inequality among the citizens of India.

MISSION

The mission of the Institution is to promote literacy in urban, rural and slum areas, as precursor to economic and social upliftment of deprived sections of the society.

M.V.R DEGREE & P.G COLLEGE

Estd. 1991

An Institution of Priyadarshini Educational Academy

VISION

'To meet the needs of the society , present and future, through moulding the students with highest moral, ethical values and developing them as responsible citizens'.

MISSION

- * Increasing the accessibility to higher education.
- * Promoting quality education with discipline and ethical values.
- * Offering job oriented, Vocational and Computer based courses in addition to basic conventional courses.
- * Developing Human resources and capacity building individuals.
- * Ensuring social inclusion in education.
- * Promoting the use of latest technology.

AIMS & OBJECTIVES

- a) To start, run and administer Educational Institutions in the state of Andhra Pradesh
- b) To promote primary, secondary, under graduate & postgraduate education with special emphasis on vocational and job oriented courses and to cater to the needs of present and future generations.
- c) To promote literacy in rural and slum areas, as precursor to economic and social upliftment of the deprived groups.
- d) To undertake all other activities as are incidental and conducive to the attainment of all the above objectives.

The various courses offered in English Medium :

I. B.A., Economics, Politics, Anthropology

II. B.B.A (Professional)

III. B.Com., (General)

IV B.Com., Computer Applications

V B.SC.

1. Mathematics, Physics & Chemistry (M.P.C)
2. Mathematics, Physics & Computer Science (M.P.CS)
3. Mathematics, Physics & Statistics (M.P.S)
4. Mathematics, Statistics & Computer Science (M.S.CS)
5. Mathematics, Electronics & Computer Science (M.E.CS)
6. Chemistry, Botany & Zoology (C.B.Z)
7. Chemistry, Biochemistry & Biotechnology (C.BC.BT)
8. Botany, Biochemistry & Human Genetics (B.BC.HG)
9. Human Genetics, Biochemistry & Biotechnology (HG.BC.BT)
10. Microbiology , Biochemistry & Biotechnology (MB.BC.BT)

III. POST GRADUATION COURSES OFFERED :

- M.Sc., Organic Chemistry
- M.Sc., Biotechnology
- M.Sc., Analytical Chemistry
- M.Sc., Biochemistry
- M.Sc., Applied Mathematics
- M.Sc., Microbiology
- M.Sc., Botany

M.V.R DEGREE & P.G COLLEGE

Estd. 1991

An Institution of Priyadarshini Educational Academy

Proud of our past, focused on future

M.V.R. Degree College, affiliated to the Andhra University was established in the year 1991 under the management of Priyadarshini Educational Academy. The College got permanent affiliation in the year 1997, in the same year it was admitted in to 2(F) & 12(B) of UGC Act. The academy is also running prestigious educational institutions namely, (1) M.V.R. P.G. College (2) M.V.R. Junior College (3) Sri Aurobindo Ideal High School (4) Priyadarshini High School, in and around Gajuwaka. The College offers different courses in Science, Commerce, Management and Arts at graduate level. It is a co-educational institution offering various job-oriented, restructured, vocational and conventional courses approved by Andhra University & A.P. State Council of Higher Education.

The college has well qualified and experienced faculty. Many of them are Ph.D. and M.Phil. degree holders. Members of the staff are committed to work with the organization to provide and promote qualitative education, which is the prime objective of our academy. The college has well equipped laboratories, library and other infrastructural facilities. This is the first Degree College to introduce Biotechnology at the graduate level in Andhra Pradesh. Since inception of the college, it has been maintaining discipline, high standards of education and students in this institution get good results, many ranks, every year, in different common entrance tests, conducted by various Universities. The college encourages the students to join in NCC, NSS, Sports and participate in literary and cultural activities.

We are happy to say, the institution has been assessed by the National Assessment and Accreditation Council and was accredited with a CGPA of 2.92 on four point scale at B grade.

Our M.V.R Degree College crossed the landmark of Silver Jubilee. This historic moment was celebrated with year long programmes that includes National Seminars on plant sciences, Hindi, Environmental studies, Telugu seminar (Kala-Samajam), Human Rights awareness Programme, Alumni meeting, Interschool sports meet, Intercollegiate Literary competitions, Teachers Day, 5K run for Swach Bharath, Blood donation camp, Medical camps, Skill development programmes etc.

The Silver Jubilee celebrations ended with splendid sermons by Sri Ganikapati Narasimha Rao and with the blessings of many renowned personalities from various fields. Recently, our college appeared for "India Rankings - 2017" taken up by National Institute Ranking Frame Work (NIRF), Ministry of Human Resource Development (MHRD) Government of India and announced the result in the month of April. We are proud to say that the college has been placed under the rank band of 151-200 at national level. Every year college appears for NIRF and AISCHE.

Apart from curriculum, regular Personality Development lectures, guest lectures for Human values & ethics are being arranged, to curb the deteriorating values among the student community. To improve the skill competence among the students, Campus Recruitment Training (CRT) classes are designed along with the regular time-table. Andhra Pradesh State Skill Development Corporation (APSSDC) and (APITA) AP Information Technology Academy (Formerly JKC) (Jawahar Knowledge Centre) are conducting on-line training classes and placement drives for our students, which help the students in a big way in getting the employment. According to the guidelines given by Commissionerate of Police, the management has installed CC-Cameras to strengthen the security of the institution.

We are very much thankful to the people of Gajuwaka, our beloved parents, the proud Alumni, who settled all over the Globe, and the present enrolled students for their constant and continuous support. We promise that we will adhere to our institution's basic principles like knowledge, values, commitment, hardwork, discipline and service...in coming years too.

6. BASICS OF VLSI DESIGNING

DIFFERENCE BETWEEN PURE MATHEMATICS & APPLIED MATHEMATICS

But what's the **difference**? The easiest way to think of it is that pure **maths** is **maths** done for its own sake, while **applied maths** is **maths** with a practical use... Other examples of applied **maths** might be statistics or probability theory. Pure **maths**, on the other hand, is separate from the physical world

Pure Maths

Based on human invention seeks absolute truths often does not rely on data collection. Laws need not be observed or delivered directly from nature. Theorems are built on previously proved theorems and axioms. Work does not need to have any immediately useful applications to be accepted as worth while. "Deductive reasoning"

Truths must be accepted by members of the mathematics/scientific community and meet certain "standards" human element. Both seek a beauty in their subject area. Both are everchanging and face paradigm shifts.

Science and Applied Maths

Data collection is usually an important step in the method and hence the analysis, which leads to new discoveries. Hence, laws and observations and generally obtained directly from nature, which is the very essence of science. While some scientists do science just for the sake of it, most work is driven by practical application. Inductive reasoning.

IMPORTANT NOTE :

1. The schedule for the vacation & Examinations given in the calendar, which is supplied to the students, may vary as per the instruction of the University
